Step 6: Click the Program Location you wish for your child to attend.

***If the desired class does not show, this could mean your child does not meet the age requirements or program level requirements. Feel free to contact First Tee programming to confirm.**

**** For example: Tate Caldwell is eligible to attend #GameON programming (Step 6A) but is NOT eligible to attend Woodfin Ridge programming. (Step 6B) This is because of Tate's age & program level requirements. His mom contacted First Tee programming staff & confirmed that Tate is too young to attend programming outside of #GameON programming.**

FALL 2020 - WOODFIN RIDGE GOLF CLUB

The First Tee recommends PLAYers develop the Nine Golf Fundamentals for each of the Golf Skill Categories as they progress across certification levels and recognizes there is an inherent interaction among these fundamentals. With the goal of improved performance, young people at the PLAYers level need to experience at a minimum: distance response, target awareness, and get ready to swing. Our coaches will create environments for PLAYers to explore different methods and, ultimately, develop their own methods for playing their best on the golf course.
